

GOLF MATTERS

CHAMPIONSHIP VENUE

As you enter the Vale Resort, you instantly realise you've arrived at a remarkable venue.

Only 3 minutes from J34 of the M4, the Vale Resort is a hidden gem tucked away in 650 acres of breathtaking Welsh countryside. Easily accessible from Cardiff City Centre and its International Airport, only a two hour drive from London and just 45 minutes from Bristol.

Enjoy one or even both of our championship courses in a luxury four star Resort that also boasts a 143 bedroom hotel, an impressive golf academy, award-winning spa and dining plus extensive fitness and leisure facilities.

These facilities combine to ensure that your golf experience is truly one to remember.

THE WALES NATIONAL

One of the longest inland courses in the UK.

Enjoy true championship golf on a course that has already hosted 5 Sky televised European Tour events. At 7433 yards it offers a thrilling mix of mature woodland, lakes and ponds, challenging bunkers and USGA standard greens within beautiful surroundings.

With four different tee positions to suit golfers of all abilities, you're guaranteed a fair and memorable round that'll leave you wanting to play it again and again!

THE LAKE COURSE

Thrills and spills of water in play at no less than 12 holes.

It may be just over 1000 yards shorter than the Wales National, but at 6436 yards is no less of a challenge and you certainly won't be short of the occasional splash!

A firm favourite amongst keen golfers, the signature 12th hole inspired by the 17th at Sawgrass, features an island green accessed only via a charming wooden bridge.

Having hosted both PGA and European Tour events, the course is an ideal test for golfers of every level.

CORPORATE GOLF

The perfect mix of business and pleasure.

There are two championship courses to choose from as well as an almost limitless number of packages available.

We strive to provide the best day for you and your guests - leave it to us to take care of everything from breakfast to buggies, corporate merchandise to clubhouse drinks and dinner of course.

You can even mix up your day with a whole range of activities including golf clinics and tuition, clay shooting, paintball and quad biking. Our extensive conference facilities are also able to host anything from intimate conferences to large scale exhibitions, so you can even squeeze in a meeting or two - but only if you want to!

THE PRO-SHOP

To play the part, it helps to look the part.

The Vale Resort pro-shop brings you the biggest and the best names in golf with merchandise from Hugo Boss, Footjoy, Glenmuir, Under Armour, Ping, Callaway, TaylorMade, Titleist and more.

We offer a free 'Trackman' custom fit service as standard with every full set of clubs purchased - after all, the right clubs really can make a better player.

We also have trollies and a fleet of buggies available for hire complete with GPS positioning satnav to make your round a little easier.

A team of five top coaching professionals offer a wealth of knowledge and experience, along with the use of the latest Trackman and high-speed video technology for swing and ball flight analysis, all combining to ensure you're hitting your perfect shots every time!

APRÉS TEE

After a challenging round, relax with a drink at the 19th hole.

Relax in the chilled-out atmosphere of our clubhouse or enjoy the evening sun on the terraces reminiscing about the highlights of your day over a pint and a bite to eat.

You can also choose to sample the exquisite menu options available at the AA Rosette Vale Grill complete with stunning views of the Lake Course, or we can provide you with exclusive group dining in one of our many function suites.

Whatever you choose, we'll cater to your needs so that you're guaranteed a mouth-watering meal with the freshest local ingredients and first-class dining service.

A brown rectangular sign is mounted on two dark brown posts. The sign features the word "Vale" in a white, elegant cursive font, with "RESORT" in a smaller, white, sans-serif font below it. Underneath "RESORT" are four white stars. Below the stars, the text "Wales' Premier 4*" and "Golf Resort" is written in a white, sans-serif font. The background of the image is a lush green forest with a black wrought-iron fence.
